**IN THE DRAWINGS**

Please delete the complete set of drawings that now exist in the application and, in lieu thereof, please substitute the attached set of replacement drawings, which number 1/7 through 7/7. The Examiner will note that there are no substantive changes in the drawings, however, these drawings are more legible and do not include extraneous words and lines. The differences between the set of drawings that are presently in the case and the new set are illustrated in red on a marked-up copy of each current page.
